Crushing Hearts and Black Butterfly Publishing. Paperback. Book Condition: New. Paperback. 370 pages. Dimensions: 7.9in. x 5.3in. x 1.1in. Because of recent reviews of editing issues, ARV-3 has been re-edited and revised. The new copy is uploaded, and better than ever!!! Now being made into a short-film by Timid Monster. The beginning of the end. The Apocalypse. A nuclear fallout wiped out every living thing on the planet, except for a few thousand of us who took shelter in underground bunkers across the globe. Now, after thirteen long years, we were finally able to return to the topside to begin to rebuild. We thought we were alone. We were never more wrong. Before the fallout, scientists had worked on creating an anti-radiation vaccine (ARV). The first two attempts failed, but despite the incomplete tests and results, the government approved and distributed the third serum to the masses in an effort to aid those who had no shelter. It worked, keeping those who remained on the topside alive, but it also altered and mutated them. This new and infectious threat had completely outnumbered us. Now, we not only had to rebuild our planet. We would have to fight for it. My name is Abigail Park. I'm seventeen, and this is my story. -----
-----Other Books in this Series: SANCTUM (Book 2) - Released (Book 3) set to release early 2015. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
