Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).

BISHOP IDA BELL ROBINSON: THE AUTHORITARIAN SERVANT LEADER (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Bishop Ida Bell Robinson, a strong African American woman, founded Mount Sinai Holy Church of America in 1924 as she was following the leading of the Lord to go out on Mount Sinai and loose the women. The debate about whether or not women are qualified to participate in the ordained ministry is ongoing. It has raged for years and it has engaged some of the best minds in the Christian world from Biblical, historical, and theological perspectives. Today the number of women in leadership positions in religious organizations is on the rise. Many traditionally male-dominated denominations that once restricted women to ceremonial and supportive roles are loosening their restrictions regarding the ordination of females and are now ordaining women into pastorate positions, adding new dimensions to their organizations. There are four main descriptors for women who function as clergy: (1) women who hold credentials from their religious organization or denomination, (2) un-ordained women who serve within their churches or synagogues, many who serve with or succeed their husbands, (3) women who independently evangelize, and (4) women who preach out or found churches or new denominations on their own. This book focuses discussion on one woman who fits into the latter of these descriptions: Bishop Ida Bell Robinson founder of the Mount Sinai Holy Church of America, Inc. The Mount Sinai Holy Church of America, Inc. is one of the few Christian denominations in the world founded by an African American woman. In addition, it is the only one that retained seventy-seven continuous years of female leadership. Therefore, it provides a unique opportunity to study not only the effects of foundational female leadership but also the conditions that provide the context...
