AUTHORHOUSE, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Seminary plays a crucial role in the lives of ministers, pastors, and lay leaders. But seminary cannot teach you the real life, day to day, practical experiences and operation of leading God's people. In this book we will look at some practical principles a pastor will not learn in seminary. Many pastors are in for a rude awakening when they are called to their pastorate. They enter the job with excitement and zeal, only to be later frustrated by the everyday duties a pastor must deal with. This book will cover everything from understanding your call, how to handle criticism, do you and your church make a good fit, leading church meetings, to knowing when your assignment is over. We will discuss how to plan a construction project, dealing with ministry and staff betrayal, finding a mentor, the power of preaching the Word and spending time with the Lord in prayer. (i will add a small photo of myself).
