Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Your purchase of this book is the first step in having a confident and clear understanding of the cosmetic surgery you may be considering. The questions, expectations and recommendations contained in this book will be vital to your outcome. This book will give insight into the realities of cosmetic surgery, reasons you may or may not choose to have surgery at all and secrets for a successful recovery. The decision to have cosmetic surgery is a serious one and should not be made hastily. Review this book a number of times. Highlight sections or dog-ear pages and take this along to your consultation so you can remember all the questions you want to ask your surgeon. Remember, the more information you have, the more prepared both you and your surgeon will be prior to surgery. Every year, half a million people who are interested in improving the appearance of their noses seek consultation with facial plastic surgeons. Some are unhappy with the noses they were born with, and some with the way aging has changed their nose. For others, an injury may have distorted the nose, or the goal may be improved breathing. But one fact is clear: Nothing has a greater impact on how a person looks than the size and shape of the nose. Because the nose is the most defining characteristic of the face, even a slight alteration can greatly improve one's appearance. The definition of rhinoplasty is, literally, reshaping the nose. The etymology of the English word of rhinoplasty is derived from the greek prefix rhino meaning nose, and plasty defined as a surgical procedure for the repair or restoration of a body part. If you have...
