

Song of the Earth: A Synthesis of the Scientific and Spiritual Worldviews (Paperback)

By -

Hyden House Ltd, United Kingdom, 2014. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The Song of the Earth is the fourth and final volume in the Four Keys to Sustainable Communities series and brings together the voices of leading visionaries in science, spirituality, indigenous wisdom, innovative community, and social activism to paint a powerful portrait of new possibilities for the human family. People across the globe yearn for a new civilization of harmony and vibrant cooperation among all peoples--living in balance with the Earth. This vision is not a dreamy fantasy; it is the birthright of humanity. Stories, interviews, articles, and ideas from all over the world are collected to create an integral worldview for others to build upon. The Song of the Earth contains voices that need to be heard, voices that affirm the unity of all life. --Llewellyn Vaughan-Lee The Song of the Earth is the attempt to create an integral picture. It is the call to explore the marvelous web of life on our planet. It asks that we consciously design gentle, sustainable lifestyles and communities that honor diversity in all forms. The celebrated list of contributors includes Satish Kumar, Wangari Maathai, Joanna Macy,...
