

The Book of Spice: From Anise to Zedoary (Paperback)

By John O Connell

Profile Books Ltd, United Kingdom, 2017. Paperback. Condition: New. Main. Language: English . Brand New Book. Spices are rare things, at once familiar and exotic, comforting us in favourite dishes while evoking far-flung countries, Arabian souks, trade winds, colonial conquests and vast fortunes. From anise to zedoary, The Book of Spice introduces us to their properties, both medical and magical, and the fascinating stories that lie behind both kitchen staples and esoteric luxuries. John O Connell's bite-size chapters combine insights on history and art, religion and medicine, culture and science, richly seasoned with anecdotes and recipes. Discover why Cleopatra bathed in saffron and mare's milk, why wormwood-laced absinthe caused eighteenth-century drinkers to hallucinate and how cloves harvested in remote Indonesian islands found their way into a kitchen in ancient Syria. Almost every kitchen contains a tin of cloves or a stick of cinnamon, almost every dish a pinch of something, whether chilli or cumin. Combining an extraordinary amount of research with a lifelong passion, this is culinary history at its most appetising. The Book of Spice is an invaluable reference and an entertaining read.

Reviews

This book might be worth a study, and superior to other. It can be written in easy words and phrases and never confusing. I am just happy to inform you that here is the greatest ebook i have got read within my personal daily life and may be the best pdf for actually.

-- Mrs. Avis Little DDS

A superior quality book along with the font employed was exciting to see. It is one of the most amazing book i have got read through. You won't really feel monotony at anytime of the time (that's what catalogs are for about in the event you ask me).

-- Santana Sanford
