The Aberdeen University Review, Vol. 7: 1919-20 (Classic Reprint) (Paperback)

By University Of Aberdeen

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Aberdeen University Review, Vol. 7: 1919-20 To write an article upon the late Right Honourable Sir William MacGregor, late Governor of Queensland, and to give a short summary of the career of one of the most distinguished graduates who ever passed through the portals of the Aberdeen University, is a difficult thing to do in an adequate manner. Books might be written on it. He began life as a doctor of medicine - the most human of all professions, and this fact explains the key-note of his subsequent career. He was an Anthropologist in the widest sense of the term, a student of man and races, and as a consequence proved a successful administrator or governor in whatever part of the world he happened to be placed. In the case of the Colonies in which there were coloured races, he ruled not by the using of the strong hand but by setting himself to acquire a knowledge, from an unprejudiced point of view, of the mentality, morality, manners and customs of those whom he was set apart to govern,...
