

The Death of Retirement: Breaking Your Reliance on a Broken System by Investing in Cash Engines (Paperback)

By David Schneider

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book. Amazon #1 Bestseller and Hot New Release September 2017 Are you tired of saving for retirement? Do you find yourself cutting expenditure to the bone - and still coming up short? Have you been let down by the conventional wisdom of investing in mutual funds and the stock market? Don't be disappointed - you're not alone. The traditional approach to retirement investing is dead. Scrimping month to month and putting your hard earned money into the coffers of investment giants, only to scrape meager returns, or lose it all - this just won't cut it in today's low-return, high-instability world. You want limited risk and great upside. You want to see results now, rather than in 30 or 40 years. You want to solve the retirement riddle. Congratulations. Purchasing this book is the first step towards freeing yourself. Part I of this book will show you how the system of investing for retirement has degraded into a cash cow for a few privileged individuals and firms. That the theories that sustain it are old, outdated, and simply do not work anymore -...
