The Pathology of Dental Infections and Its Relation to General Diseases (Classic Reprint) (Paperback)

By Weston A Price

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. ?Dr. Weston A. Price was a controversial but diligent researcher in his own time and his work continues to fit that description to this day. In The Pathology of Dental Infections and Its Relation to General Diseases , Price notes the comparative lack of vigour and presence of chronic conditions in his younger patients. Driven to find a solution he hypothesized that perhaps there was a common cause or factor. He formulated a daring theory which linked dental and general physical health in his patients. Price s theory relates to focal infections, infections which Price believed were major causes in a large number of deaths. These focal infections primarily occurred above the shoulder and particularly of interest to him, in the teeth. He demanded an increase in dentists, dental care and an aggressive drive to improve the state of human health across the world. His infectious enthusiasm and belief in widening the reach of healthcare is heartening and whilst not all his conclusions are backed up today, his research was is still significant for the modern dental practitioner. His call for closer integration...

Reviews

Merely no phrases to describe. Better then never, though i am quite late in start reading this one. Its been written in an extremely easy way which is merely following i finished reading this publication through which in fact transformed me, change the way in my opinion.

-- **Pedro Renner**
