Reviews

This pdf may be really worth a study, and much better than other. I could possibly comprehend every thing out of this composed ebook. You will not sense monotony at anytime of your time (that's what catalogues are for regarding when you check with me).
(Elza Gusikowski)

THE WINDING STAIR AND OTHER POEMS (1933): A FACSIMILE EDITION

Simon & Schuster. Paperback / softback. Book Condition: new. BRAND NEW, The Winding Stair and Other Poems (1933): A Facsimile Edition, William Butler Yeats, George Bornstein, W. B. Yeats's "The Winding Stair and Other Poems" was published in 1933 when Yeats was sixty-eight, ten years after he won the Nobel Prize and six years before his death in 1939. Yeats famously invoked in "Adam's Curse" the time he spent "stitching and unstitching" the lines of his work, but he also spent considerable time stitching and unstitching his poems to each other. "The Winding Stair" demonstrates that care, combining and reordering the poems of two earlier publications in an edition intended as the companion volume to "The Tower," published in 1928. This Scribner facsimile edition reproduces exactly the pages of the elegantly planned and designed first edition of "The Winding Stair and Other Poems" as it first appeared, including a photo of the cover design on which Yeats collaborated. It adds an introduction and notes by celebrated Yeats scholar George Bornstein. Yeats's longest separate volume of verse, it features sixty-four poems written in the late 1920s and early 1930s. Among them are such masterpieces as "Blood and the Moon," "Byzantium," the Coole Park poems, "Vacillation," and two separately titled long sequences ending with the exquisite lyric "From the 'Antigone.'" These poems amply justify T. S. Eliot's contention that Yeats was one of the few poets "whose history is the history of their own time, who are a part of the consciousness of an age which cannot be understood without them."
