Brand New Book ***** Print on Demand *****.This It s a Drivers World book has primarily been prepared with trainee A.D.I.s in mind who are preparing for their A.D.I. part one multiple choice element of the Theory Test. However, it will be of great value to those trainees who want to refine their driving theory for the part two practical driving test and their instructional skills for their part three Test of Instructional Ability . Fully qualified instructors will find it an essential revision tool when preparing for and undergoing their Check Test and a useful means of keeping in touch when giving tuition to learner drivers. Its main function is to provide a structured working platform to assist trainee A.D.I.s in studying for the Driving Standards Agency part one Theory Test (multiple choice element). It does this by means of a series of comprehensive quizzes, complete with answers, based upon the required reading necessary to ensure a sound basic knowledge which will lead to a first time pass. The other one hundred and one are questions which may be in the mind of an aspiring instructor which hopefully are answered elsewhere in this and other books by this author. The nine hundred questions comprise seven blocks of one hundred each complete with correct answers together with two mock tests of a further one hundred each complete with correct answers and assessments. To get maximum benefit from this book the trainee is advised to work through the series of questions progressively by seeking the answers in the various reference books recommended for study...
