Quirky full-color illustrations portray dozens of birds chatting about their distinctive characteristics, including color, shape, plumage, and beak and foot types, while tongue-in-cheek cartoons feature banter between birds, characters, and the reader (Here I am, the noble spruce grouse. In a spruce grove. Eatin' some spruce. Yep.). Interactive and enjoyable tips bring an age-old hobby to new life for the next generation of bird-watchers. This item ships from multiple locations.
