Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modified the way I really believe.

NEW FRIEND - TRUE FRIEND

Envision Books, United States, 2015. Paperback. Book Condition: New. Debbie Hefke, Kira Ribordy (illustrator). 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.One reviewer states: An absolutely delightful story about friendship, beautifully written and well illustrated, to be enjoyed by children and adults alike. A joy to read aloud and share. It touches some of the deeper issues in a developing friendship, beyond enjoying a common activity. Thus, developing a new friendship became a part of this poem written over 30 years ago when my children were almost grown. New friends don t have to be just like you. They can be black, white, red. or maybe even green. Feeling betrayed can also be a part of a new friendship before we truly get to know someone. But that feeling can be turned around when our new friend keeps their promises and a spirit of kindness and understanding grows between them. Dominic Dragon keeps his promise to Jason and does it right away, forestalling the disappointment and turning Jason s frown into an uplifting smile. New Friend - True Friend , written for children age 3-8, teaches a lesson in trust, kindness, and hope while showing concern for others and how important a promise kept can be to a child. Through the printing of this book I hope to encourage children and adults everywhere to believe in themselves and the power of friendship. Talented freelance illustrator Debbie Hefke has brought...
