Reviews

An extremely great ebook with perfect and lucid answers. This is certainly for anyone who statte that there was not a well worth looking at. Its been designed in an exceptionally simple way and is particularly only soon after i finished reading through this ebook in which actually transformed me, modify the way in my opinion.
(Libbie Farrell)

NEUROMUSCULAR QUICK POCKET REFERENCE

Demos Medical. Paperback. Condition: New. 128 pages. Dimensions: 5.9in. x 3.9in. x 0.4in. Neuromuscular Quick Pocket Reference provides students, residents, and fellows a quick reference guide to neuromusculoskeletal tests. Composed primarily of tables, charts, and photographs utilizing a tabular format, this handy reference puts together and organizes the information that trainees and practitioners in PM and R, neurology, orthopedics, rheumatology, and family medicine use on a daily basis. It provides the busy clinician or trainee with clear information on these tests, including why the test is used, how to perform the test (written and in photographs), sensitivity, specificity and references. The first part of the book covers physical exam by region. The second part of the book is devoted to common neurological tests and scales, including muscles, motor points, dermatomes and myotomes (EMG charts), spasticity findings, radiculopathies, and Traumatic Brain Injury assessment and grading and pain scales. Small, focused, and concise Neuromuscular Quick Pocket Reference will be a white coat staple for medical students in PM and R and related disciplines. Features of Neuromuscular Quick Pocket Reference Include: Pocket-Sized for portability and ease of use Information is organized to maximize accessibility of information Covers common neuromuscular assessment tests performed on a daily basis Sensitivity and specificity of each test is displayed Illustrations help clarify topics that are difficult to understand (brachial plexus for example) Illustrated throughout Collects frequently-used neurological tables and scales for quick look-up of essential patient care information This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
