Brand New Book ***** Print on Demand *****.Excerpt from Recap: Report of Five More Apparent Cures of Pulmonary Tuberculosis Occurring in Working People Who Were Treated at a Dispensary Without Interruption to Their Work As mentioned in a recent paper, the work of treating self supporting consumptive working people is being carried on at my rooms, 239 Thompson Street, two doors below Fourth Street (South Washington Square). Physicians are cordially invited to send suitable patients for treatment who are deserving and who are able and willing to fulfill all the requirements for membership in the class. Patients who reside elsewhere than in the Borough of Manhattan and the lower Bronx are unable to obey the rule requiring all patients to report at the rooms twice a day (no exception is made because of weather), and are therefore ineligible. The object of this and previous reports is to show that uncomplicated pulmonary tuberculosis occurring in working people is curable in the home climate by dispensary methods, without interruption to their work. That this result is accomplished by careful attention to the details of daily life,...
