Immigration politics has been significantly altered by the advent of America's war on terror and the proliferation of security measures. In her cogent study, *Terrorizing Latina/o Immigrants*, Anna Sampaio examines how these processes are racialized and gendered and how they impose inequitable burdens on Latina/o immigrants. She interrogates the rise of securitization, restrictive legislation, and the return of large-scale immigration raids and describes how these re-articulate and re-inscribe forms of racial and gender hierarchy. *Terrorizing Latina/o Immigrants* demonstrates how the ascendance of America as a security state serves as a template to scrutinize, harass, and encumber immigrants while also reconfiguring citizenship. Sampaio uses intersectional analysis coupled with theoretical and empirical approaches to develop a critical framework for analyzing current immigration politics. Sampaio provides a sustained and systematic examination of policy and enforcement shifts impacting Latinas/os. Her book concludes with an examination of immigration reform under the Obama administration, contrasting the promise of hope and change with the reality of increased detentions, deportations, and continued marginalization.
