

The Falling Raindrop (Hardback)

By Neil Johnson, Joel Chin

Tricycle Press, United States, 2010. Hardback. Book Condition: New. Neil Johnson (illustrator). 244 x 241 mm. Language: English . Brand New Book. As a storm rumbles and flashes, something wonderful happens up in the clouds: a raindrop begins his journey to earth, thrilled and delighted to be flying. But when flying begins to feel like falling, the raindrop can't enjoy himself for fear that a big change is coming. After hitting a campfire on the ground, the raindrop begins his journey back to the clouds as a wisp of steam. Readers will cheer for the little raindrop, experiencing his joys as well as his worries. This simple story uses spare text and art to explain the science of the water cycle, while happily showing that good things can result from change.
