Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Alice-Miranda is in bustling New York City. It s a blur of skyscrapers, hot dog carts, chats with zoo animals and classes at Mrs Kimmel s School for Girls, right next to glorious Central Park. Her family s glamorous department store, Highton s on Fifth, has just been renovated, but plans for the fabulous reopening party are going curiously wrong. Is that why Alice-Miranda s father, Hugh, seems so worried? And why is her new friend, Lucinda, so shy about inviting Alice-Miranda home? Jacqueline Harvey is an award-winning, best-selling children s author from Australia. A former teacher and Deputy Headmistress, she writes the very popular Alice-Miranda books and has recently launched a spin-off series about a lovely little girl called Clementine Rose. Jacqueline is travelling in the UK and Singapore in early 2013, introducing Alice-Miranda and Clementine Rose and having a wonderful time meeting children and visiting schools. She likes to write her books with a view - preferably of the ocean, but she is not averse to the countryside either.
