Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The story is about a girl whose name was Hailey. Hailey was living with her dear mother and she didn t know anything about her real father. Her mother Alberta used to be a hard working nurse but her major flaw was that she used to love drinking a lot and would spend all of her free time drinking with guys she didn t even know. Whenever she used to drink, she would fall asleep anywhere and she couldn t remember the men she slept with or the relationships she had during the night. One day, she found out that she was pregnant but her family was a conservative family and she ended up kicked off her own house to find that she was a vagrant. Therefore, she decided to leave the entire place and move to Innsbruck, a town in Austria where she managed to find a decent job as a nurse in a clinic and she raised her daughter peacefully away from all the people she knew. Yet, as the young proved to be a prodigy and started asking questions about her real father, Alberta became so anxious and was scared that someone would hurt her daughter. She was indeed so afraid because the father was an important scientist and he didn t even know he had an illegitimate daughter. Henceforth, Alberta decided to send her daughter to study in the United States where she obtained a scientific astronomical certificate and came back on her graduation day to celebrate with her and make her proud. However, as the mother and the daughter were having fun skydiving, Alberta failed to open up her parachute and she fell down...
