The Way of Boys: Promoting the Social and Emotional Development of Young Boys (Paperback)

By Anthony Rao, Michelle D. Seaton

HarperCollins Publishers Inc, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. Boys will be boys . . . It's time we stopped trying to fix them. Boys today are being bombarded with a slew of diagnoses-ADHD, Asperger's, bipolar disorder-at an alarming rate and at younger ages. The Way of Boys urges parents, educators, pediatricians, psychologists, and other developmental experts to reevaluate and significantly change how we deal with our youngest boys. When parents understand the wide spectrum for normal boy development, they can successfully communicate with their son-and everyone in their son's life-and help him grow into a healthy and smart young man. Dr. Anthony Rao challenges some of the potentially harmful assumptions, attitudes, and behaviors we've developed toward young boyhood over the last few decades. The Way of Boys is a celebration of natural, constructive boyhood development and an expert, definitive handbook on what to look for and expect in normal growth.
