Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, The Westies: Inside New York's Irish Mob, T. J. English, Even among the Mob, the Westies were feared. Out of a partnership between two sadistic thugs - James Coonan and Mickey Featherstone - the gang dominated the decaying slice of New York City's West Side known as Hell's Kitchen in the 1970s and '80s. Excelling in extortion, numbers running, loansharking and drug-peddling, they became the most notorious gang in the history of organized crime. The then prosecutor Rudolf Giuliani called them 'the most savage organisation in the long history of New York street gangs'. Upping the ante on brutality and depravity, their speciality when it came to punishment and killings was dismemberment. Their reign lasted almost twenty - their end would come as their own violent natures got the best of them and precipitated a downfall as infamous as their rise. This revised and updated edition, brings the story of the Westies up to date with 'where are they now' snapshots of the men - and women - of the Westies.
