VERONICA S PAPERS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Gerald Clayton suffering from Amnesia, receives a package of papers from Veronica, a former clinical hypnotist. She tells him they accomplish his fantasy of gathering together, on the ship Marguerite, his past loves with the two of them present, but in disguise. In hopes of discovering his own past Gerald invites the passengers to share in a mystery by guessing what, or who, they all have in common. Veronica s Papers by A. Colin Wright has an amazing premise that makes the reader think about the likelihood and outcome of such an experiment in his or her own life. Well-developed characters like Gerald Clayton, who finds himself in a nursing-home after losing his memory; his wife Elizabeth; and Veronica Castell (who has assembled papers documenting Gerald s life along with other people from Gerald s past) help the reader understand Gerald s and Veronica s thought processes. The unlikely setting is a cruise ship named Marguerite. This ship is of British registry, sailing out of Southampton to a variety of destinations like the Azores and the Canary Islands. Passengers receive an invitation (Compliments of Creative Travel) awarding them a fully paid seven-day cruise for two that includes a special program geared to meet their individual needs and interests. The intensity of the author s style of writing is evident when he writes: Humans are like individual atoms jostling in time and space in a constantly changing relationship, and every so often what we call chance brings together those who ve met before so that we wonder whether there isn t some further purpose. But what of the coincidences that fail to become evident? The odds against Janet s being...
