Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from An Italian Dictionary 1. The design of this book is to meet the requirements of an English student of Italian rather than those of an Italian student of English. The English-Italian vocabulary is merely for the practical convenience of English-speaking people who may have occasion to speak or write in Italian. Obsolete words have therefore been excluded from this part of the book. 2. Geographical names which differ in the two languages have been entered in alphabetical order among the ordinary words. 3. The sources drawn upon have been as follows. For marine and engineering matters the authorities utilised are the marine and technical dictionaries of Dabovich, Guglielmotti and Paasch, the last named of which is distinguished by a beautiful series of plates. The names of land animals otherwise unknown to me have been ascertained by taking the scientific names given by Bulle and Rigutini and looking these out in Baird's Cyclopaedia of Natural Science, those of birds in a similar way by comparing the scientific names in the list of birds in the Manuale del Cacciatore, one of the series published by Hoepli, with those in Morris's British Birds, those of fishes directly from Dabovich, and those of plants from the Catalogo poliglotta delle piante by the Contessa di San Giorgio. The bulk, however, of the volume is of course occupied with general literature, and has been compiled from Petrocchi (Dizionario universale della lingua italiana), Tommaseo and Bellini Dizionario italiano, in eight quarto volumes), Bulle and Rigutini (Italienisches-Deutsches Wörterbuch), and Rigutini and Fanfani Lingua italiana parlata). From one or another of these all the idioms and illustrative phrases are taken, most of them...
