BREATHLESS DIVERSIONS (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Anthony Delano went to London from Australia after an early newspaper career there and was soon a foreign correspondent for the Daily Mirror, which at that time sold nearly five million copies daily. He was stationed in Rome during the Dolce Vita days, in Paris when General De Gaulle was dismantling the French empire, then the United States where he covered, among many other dramas, the civil rights campaign and the assassination of President John Kennedy. Additional assignments took him all over the globe: wars in Africa and the Middle East, tours with the Queen and other members of the Royal Family; most hazardous of all, perhaps, the historic Beatles tour of America. In between there were executive stints in London. He was managing editor of the Mirror when the monstrous tycoon Robert Maxwell took it over. Clearly time to go. He began to teach journalism and research it academically, gaining first a Master's degree at Queensland University of Technology then a PhD from the University of Westminster (his 2001 doctoral thesis, *The Formation of the British Journalist 1900-2000*, is widely cited). He became a senior lecturer, senior research fellow and finally visiting professor at the London College of Communication. He lives in the South of France, married to Patricia, a literary scholar.
