Sophia, a natural born Flesh Craver, is a different kind of zombie. She looks like an everyday normal human being, except for one thing. She must consume human flesh in order to keep her looks and youth. Sophia works as a Recruiter for F.L.E.S.H. (Financial and Legal Experts of Shrieking Haven), a majickal underground corporation working towards harmonizing all realms to co-exist in peace. We join Sophia on her journeys through some case files and recruit leads. We meet some charming, unique and grotesque characters along the way - Faeries, Ogres, Angels and Scenters are just a few of the many we encounter. We feel Sophia s challenges as she embraces her life as a Flesh Craver, as well as her secret hopes to find love and one day be a part of the earthly realm to live a normal life.
