The book is for those who are interested in small scale automobile manufacturing, fans of Auburn, Cord and Duesenberg cars, or for those who would just like to read a fascinating true life yarn. As with Preston Tucker and Malcolm Bricklin, Glenn Pray was able to introduce a technically and visually innovative automobile to the world stage. Malks book, Cord 810/812 The Timeless Classic . Many great pictures throughout adds life to the words of this book. A well-written biography of a man who was obsessed, determined, gutsy, creative and sometimes desperate, but who never let the words no . can t or, impossible interfere with his quest. very interesting reading.
