Reviews

This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

I m Saved-Now What?, was written with the beginning Christian in mind. So often new believers come to Christ but aren t given the support they need for the transition. They aren t given what is needed early on in their walk, which is the simplicity of the Gospel. Loved-ones, family, friends, co-workers, and associates are led to the Lord but aren t given the basics for living a Christ-centered life. Often times they slip back into old habits and lifestyles for lack of support. I m Saved-Now What?, communicates the truth of God s word to new believers in a way that is simple and direct, providing a guide for those beginning a new life in Christ. It is a must have for: New converts Pastors seeking a discipleship tool for new members Those persons you have just led to the Lord Those that want to learn the basics of Christianity Those who have just given their lives to the Lord Those seeking spritual guidance for living a Christ-centered life Those that have once given their life to Christ but have lost their way.
