Henry Holt and Co. (BYR), 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Operation Bunny : "Wickedly fun."-- Publishers Weekly , starred review "If you like mind-boggling adventures filled with brilliant illustrations and strange talking animals, then do not hesitate to pick up this brilliant book." The Guardian "This brims with quirky charm reminiscent of Eva Ibbotson, Joan Aiken and early JK Rowling." The Times "Roberts' stylized cartoony illustrations mostly of cute bunnies scatter over almost every page, adding a delightful touch to the madcap caper. Emily is a nonsense, brave girl detective, and young readers looking for silly magical adventures will find much to love. Want more? You're in luck: this is the first title in the Wings & Co. series." - Booklist "This first brisk, entertaining series entry leaves enough dangling threads to make readers eager for the next." - The Horn Book "It should appeal to readers who enjoy whimsy without a lot of stressful conflict. Highlights are the charming Briticisms as well as the merry, slightly off-kilter black-and-white illustrations especially the depiction of Harpella, who resembles a pointier, more deranged version of Lady Gaga." - School Library Journal.
