

Restoring the Male Image (Paperback)

By Alex O Ellis

Simply Ellis, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A man s image is one of his most alluring characteristics. In his book, Restoring the Male Image: A Look from the Inside Out, Alex Ellis aims to restore a man s pride in his internal and external image. He encourages men to embrace the inherent style and sophistication of The Harlem Renaissance Era - a time period when men dressed with a sense of class and dignity. Ellis takes his readers through a series of factors to help men identify with their image and introduces a powerful acronym for the word: I=Integrity; M=Manhood; A=Authority; G=Generosity; E= Excellence. This book challenges the reader to revisit his overall image and determine whether his outward appearance reflects the greatness that lies within. Restoring the Male Image is also a practical resource, giving men instructions on the basics of a gentlemen s wardrobe as well as how to appropriately dress for any occasion. It is a must have for any man who takes his image seriously and wants to dress with the authority needed to reach his destiny.
