CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 286 pages. Dimensions: 9.0in. x 6.0in. x 0.7in.(22 page black and white insert) Ordained as a Taoist priest and Fox Master, Grand Master Anatole continues the traditions and teachings of Taoism and the Fox Creed through a classical curriculum employing the ancient rituals and practices of Fox Exorcism and Taoist Soul Therapy for mental and physical health and wellness. Motivated by a desire to open the worship of the Fox Creed to the public, he writes and lectures throughout North America, Europe, and Asia. The Creed of the Foxes dates back thousands of years. The worship of gods known as Foxes is based on a belief in animistic, foxlike, spiritual deities that are part of the cultural and religious fabric of Asia. To clarify the underlying principles of the Fox tradition, Master Anatole creates for the reader a framework of understanding that focuses on ancient Chinese and Japanese history yet encompasses a structure of beliefs shared by shamanistic cultures that span the world. Master Anatole also provides a compendium of related aspects from a wide range of culturally and historically diverse spiritual practices to illustrate the common beliefs regarding the moving energies of the soul after death, while demystifying Taoist correlative cosmologythe basis for all Taoist and Fox metaphysics. Ultimately, he builds to the logical conclusion that the purpose of our lives is to achieve intellectual evolution and spiritual immortality. This item ships from La Vergne, TN. Paperback.
