(This) was seriously one of the HOTTEST books I've ever read! --Emma Chase, NY Times bestselling author of *Royally Screwed Hot*, emotional and fun, this sex machine of a man has a huge HEART! - Lauren Blakely, NY Times bestselling author of *WELL HUNG* Sex Machine totally got my motor running. Marie Force just delivered one smoking hot romance. --Sawyer Bennett, New York Times bestselling author He's good for one thing and one thing only--and she wants it bad. Honey Carmichael has never had a decent orgasm, and she's out to change that with the one man in town known for his superior skill between the sheets. Blake Dempsey is happy to help Honey with her problem as long as she knows he's only interested in sex. His heart was broken when his high school girlfriend was killed in the car he was driving, and he has nothing to offer other than more orgasms than Honey can handle. Which is just fine with her--until fantastic orgasms aren't enough anymore for either of them and unexpected feelings turn hot sex into messy entanglement--and that most definitely wasn't in the plans. But you know what they say about plans. A sexy, dirty standalone romance intended for MATURE audiences. If you can't take the heat in Blake's bedroom, stay out or you might get burned. You've been warned!.
