

The Once and Future Spy: A Novel of Obsession (Hardback)

Filesize: 6.47 MB

Reviews

It is in a single of the most popular ebook. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Overlook Press, United States, 2003. Hardback. Condition: New. Language: English . Brand New Book. By national best-selling author, Robert Littell, whose most recent novel *The Company* received rave reviews across the nation, *The Once and Future Spy* is finally back in print. This is Littell at the top of his form, constructing a tale of espionage and counterespionage revealing the dirty tricks and dangerous secrets about the subjects he knows intimately the CIA and American history, past and present. Littell proves beyond all doubt that he is a storyteller of inimitable caliber. As Stephen Coonts put it, Eric Ambler invented the modern spy novel. Robert Littell perfected it. *The Once and Future Spy* is a classic spy story. At the center of Littell's plot is an elite plan, so secret and so dangerous that its existence is known only to a tiny group of specialists within CIA headquarters. There is virtually no paper trail but, somehow, the plan has sprung a leak. The plotters must urgently trace it or face deadly consequences. Meanwhile, at work elsewhere on another highly sensitive project for the Company is an operative known as the Weeder a man obsessed with American history and one of its heroes. When the Weeder's and Washington's clandestine worlds collide, the present faces the past and disturbing moral choices are weighed against a shining patriotic dream. What is the truth? Whose truth should be believed?.
