THE SHOPPING ADDICTION NARCISSISM UNLEASHED (PAPERBACK)

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Shopping Addiction 2nd Edition: A Cure for Compulsive Shopping and Spending to Free Yourself from Addiction! + NARCISSISM UNLEASHED 2ND EDITION! The Ultimate Guide to Understanding the Mind of a Narcissist, Sociopath and Psychopath! Shopping Addiction Shopping is a raging phenomenon among developed countries and has been studied over and over. Sociologists say it's a female drive, in an attempt to explain the differences in shopping behavior between men and women. It was said that the same obsession of men over sports can be linked to the way women go crazy on Black Friday sales or on mall openings. In the evolution of man, the male species are known to be hunters, while women have always been the gatherers or the ones who are in charge of finding things for their offspring. This behavior is not exactly exclusive to women though, because when you consider the purchase of gadgets, large screen TVs, and high-end cars, the tendency of men to make expensive purchases is surely noticeable. However, this is limited to a targeted section of the market. Women, on the other hand, will shop whenever, wherever and whatever! This is because men consider shopping as merely a purchase of specific merchandise while for women, it's a whole different world altogether. But when does shopping stop being a charm and starts haunting you like a curse? Where do you draw the line between recreation and obsession? Do you think you're a shopaholic? Let's go find out. Topics discovered. The Seductive Charms of Shopping When the Charm Turns to a Curse Lifestyles of the Rich and Famous Celebrity Shopaholics The WHY's of Shopaholics Compulsive Buying...
