Amid dealing with her own spiritual development and managing her team, Shalimar is assigned Angie, a very social free-spirited party girl, to train as an apprentice. Due to her dedication to her clients on Earth in the Physical and her Spirit Guide team, along with some unresolved negative Karma from a past life, Shalimar has been putting off incarnating with her soul mate, Jackson, so they can continue their spiritual evolution together. It is coming down to crunch time for Shalimar who must make the most important decision of her existence. What she decides will have an irreversible and profound impact on her own, and Jackson's, spiritual evolution. While juggling her duties as a senior Spirit Guide and making this difficult decision, she must also focus on training Angie who is slow in catching on to the importance of being a Spirit Guide responsible for Souls incarnate. Shalimar will discover that life, in the Physical and in the Spirit World, is a series of choices, and since all living things are connected, each of those choices affects us all. Will she make the right choice?.
