Those that disbelieve who T. Lobsang Rampa says he is will never be convinced otherwise. Those that believe need to be offered nothing additional in the way of evidence. In this wonderfully fulfilling work, the great mystic reveals the truth about transmigration and how he went for being an ordinary plumber (or did he?) to one of the most remarkable men in the world of mysticism: Says T. Lobsang Rampa about this puzzling phenomenon: Transmigration is stated to be the movement of one soul from one body into another body. There are many, many recorded instances in the world s history in which the soul of a person has departed from a body but before death occurred to that body another body was taken over. It is as simple as that. Get ready to be propelled in an out of this world experience. Here are little known facts about reincarnation, including who you were and who you might be in the future. Understanding is the key to expanding your consciousness and opening your heart and mind to the universe. Rampa will guide you. JUST FOLLOW THE FLICKER OF THE CANDLELIGHT!.
