

College as We Don t Know It (Paperback)

By James Edward Perez

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.College As We Don t Know It combines various experiences, tips, guidance, and perspectives to many aspects of education. It poses the question to the reader asking, Do you really know everything you need to know about college? Education is ever evolving and there is so much that students typically never learn of whether they are entering college, attending college, or have already graduated. College As We Don t Know it covers various important, educationally related topics that anyone pursuing a college level education should know of and can benefit from. Whether it be financial planning, educational decision making, or skill-building. College As We Don t Know It helps prepare you for both, college life and the years to come. Through the combined experience of the professional administering of Federal Student Aid, post-secondary educational financial operations, and from being a student himself. The author is able to provide valuable insight in making the wisest decisions when obtaining a college degree.
