Reviews

This pdf is wonderful. It really is written in simple terms instead of hard to understand. It's been developed in an exceedingly simple way and it is just after I finished reading this ebook in which it in fact modified me, altered the way in my opinion.

University of KwaZulu-Natal Press, South Africa, 2007. Paperback. Condition: New. Language: English . Brand New Book. Fanie Fourie is a true blue boere seun with an unrepentantly macho approach to love and life in general. But his worldview undergoes an abrupt reinvention when he is bitten by the louse and bedbug of love and falls head-over-heels for Dimakatjo Machabaphala, a beautiful black nurse. In pursuit of true love the lovers must steer a path through the challenging intricacies of inter-cultural negotiation and leap the hurdles of racial bigotry, tenacious former lovers and the like; finally to emerge triumphant as traditionally united man and wife. This novel is filled with naughty humour and ironic reversals of stereotype. With a deft and humourous pen the author evokes the colliding worlds of traditional and contemporary culture in a South Africa still struggling to renegotiate roles and relationships and shake off the complexes and prejudices of the past.
