Reviews

This book is definitely worth getting. It usually will not price too much. Its been printed in an extremely simple way in fact it is only right after i finished reading this publication where basically altered me, modify the way i think.
(Avery Daugherty)

WINDSINGER (PAPERBACK)

[DOWNLOAD](#)

HarperCollins Publishers, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. The third instalment in the Darkhaven series. Ayla Nightshade prepares to meet with the Kardise ambassador to sign a treaty between Mirrorvale and Sol Kardis. However, negotiations are halted as the ambassador is discovered dead in his chambers, poisoned by the same bottle of taransey he and Ayla had shared the night before. Ayla has been framed for murder and the peace between two kingdoms is at stake. Tomas Caraway and his Helmsmen must rush to prove her innocence before war destroys all they have fought for. Along the way they discover the plans for a Parovian airship, the Windsinger, which reveal a chamber designed for a special cargo: a living one. Together Ayla and Tomas set out to uncover their real enemies - a search that will lead them closer to home than they ever anticipated.
