Short Books Ltd, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. The cruel early death of his wife Helen tears up the script of Adam Golightly s middle-class, middle-aged existence. Miserably single, outnumbered by his kids and haunted by life s screaming fragility, he recounts his fight back against the hand of fate. This irreverent and frank memoir follows Adam s snakes-and-ladders journey through his grief in the year following his wife s death, as he struggles with small town tongue wagging, the trauma of teenage bra shopping and online dating anarchy. Adam s is the biggest mid-life crisis anyone could face and as he starts to build a new, alternative life for himself and his children, he shows not just how to survive bereavement but how to be transformed by it.
