Her new life is filled with difficulty learning to exist in a new culture and surrounded by Catholicism while following her determination to remain true to her Apache heritage and their tribal Gaan. But the affection and respect the de Vega family develops for her sustain her. Gathering and using the native plants she knows will heal earn for her the name Santa Apache. Love for the illegitimate son she bears makes her life worthwhile and strengthens her, but can she triumph over sorrows and disaster? How can one whose lifelong purpose is to save lives finally commit murder? Can she fulfill the destiny foretold for her by an ancient spirit? Set against the background of 18th century Spanish settlement of the Southwest, this unforgettable drama is filled with conflict, romance, and triumph.
