Reviews

This is the best book i have read until now. It can be filled with knowledge and wisdom Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Nadia Konopelski)

CREATIVE MIND SYSTEM

Relaxation Company,U.S., United States, 2005. CD-Audio. Book Condition: New. abridged edition. 142 x 127 mm. Language: English . Brand New. Breakthrough thinkers, advanced meditators, great artists, inventors, and other highly creative people seem to have brains which work in an extraordinary way, and in fact, they do. Neuroscience researchers agree that a common pattern of brainwave activity called the Creative Mind Pattern holds the key to their creative genius. The Creative Mind System CD uses breakthrough audio processes which stimulate the Creative Mind Pattern in your own brainwaves, which brings you to a natural state of heightened creativity. These powerful recording processes have been developed by Dr. Jeffrey Thompson during 15 years of clinical research with thousands of patients, including artists, scientists, and creative people in all walks of life. These are the same techniques which Dr. Thompson has used with senior executives in Fortune 500 Companies to help them face the creative challenges of the business world. Dr. Thompson s recordings work by blending inaudible pulses of sound that mirror the Creative Mind Pattern into an ambient musical soundtrack. As you listen, your own brainwaves begin to reflect this same powerful brainwave pattern, drawing you easily into new dimensions of personal insight, creativity, and artistic vision. Simply play this program while meditating, searching for new ideas, or enjoying any creative or artistic endeavor and experience the flow of new creative energies, insights, and inspirations. After some time of regular listening your brain will be trained to more easily access your deepest creative capacities and abilities wherever and whenever you need them. Dr. Jeffrey Thompson s pioneering work has led to groundbreaking discoveries in how sound frequency patterns built into musical soundtracks induce brainwave entrainment. Fortune 500 companies, healthcare professionals, clinics, hospitals, meditation groups, and individuals worldwide use Dr. Thompson...
