

The Tao Of Bruce Lee (Paperback)

By Davis Miller

Vintage Publishing, United Kingdom, 2001. Paperback. Condition: New. Language: English . Brand New Book. Just weeks after completing Enter the Dragon, his first vehicle for a worldwide audience, Bruce Lee - the self-proclaimed world's fittest man - died mysteriously at the age of thirty-two. The film has since grossed over \$500 million, making it one of the most profitable in the history of cinema, and Lee has acquired almost mythic status. Lee's was a flawed, complex yet singular talent. He revolutionized the martial arts and forever changed action movie-making. As in The Tao of Muhammad Ali, Davis Miller brilliantly combines biography - the fullest, most unflinching and revelatory to date - with his own coming-of-age autobiography. The result is a unique and compelling book.
