WHEN THE HEART SPEAKS!: TWENTY YEARS OF SILENCE (PAPERBACK)

AUTHORHOUSE, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.When the Heart Speaks is a recollection of the past twenty years of my life, which includes serving in the army and traveling around the world to places I dreamed about as a child, but never imagine I would actually go there, and for that I am forever grateful. When the Heart Speaks will allow you become a part of me, for a brief moment or however long you choose to do so. You will experience the emotional rollercoaster ride of life, as well as the trail and tribulations one goes through, when they keep things inside to long or don t know how to express themselves, when those feelings are pleading to come out, but you refuse to release them or don t know how to release them. I ve learned when that happens, in my opinion; GOD (The Real Author) brings you to a point in your life, with the assistance of your heart, and lets you know that s enough. They re trying to tell you, to get your act together, if you re not living the way you should, especially if you know you ve been given blessings from above, and still choose to go down the wrong path. In my case, I haven t listen or paid attention to the warning signs that were there, so now it s either their way or the byway. I ve decided it would be their way. Thank-you GOD!.
