ALIVE, ALIVE OH!: AND OTHER THINGS THAT MATTER (PAPERBACK)

GRANTA BOOKS, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. What matters in the end? In the final years of life, which memories stand out? Writing from her retirement home in Highgate, London, as she approaches her 100th year, Diana Athill reflects on what it is like to be in her nineties, and on the moments in her life which have risen to the surface and sustain her in her later years. She recalls in sparkling detail the exact layout of the garden of her childhood, a vast and beautiful park attached to a large house, and writes with humour, clarity and honesty about her experiences of the First and Second World Wars, and her trips to Europe as a young woman. In the remarkable title chapter, Athill describes her pregnancy at the age of forty-three, losing the baby and almost losing her life, and her gratitude on discovering that she had survived. With vivid memories of the past mingled with candid, wise and often very funny reflections on the experience of being very old, *Alive, Alive Oh!* reminds us of the joy and richness to be found at every stage of life.
