API MANAGEMENT

Condition: New. Publisher/Verlag: Springer, Berlin | Developing and Managing APIs for Your Organization | Maximize the impact of your assets and business services by providing APIs for developers and other users. The journey described in this book starts with identifying business assets. As part of the API team, you then need to identify and define the requirements of traffic management, security, mediation, and orchestration. You also must define metrics for the analytics to measure the success of the overall API...
