CHANGING POVERTY, CHANGING POLICIES

[DOWNLOAD PDF](#)

Russell Sage Foundation, United States, 2009. Paperback. Book Condition: New. 234 x 166 mm. Language: English . Brand New Book. Poverty declined significantly in the decade after Lyndon Johnson's 1964 declaration of War on Poverty. Dramatically increased federal funding for education and training programs, social security benefits, other income support programs, and a growing economy reduced poverty and raised expectations that income poverty could be eliminated within a generation. Yet the official poverty rate has never fallen below its 1973 level and remains higher than the rates in many other advanced economies. In this book, editors Maria Cancian and Sheldon Danziger and leading poverty researchers assess why the War on Poverty was not won and analyze the most promising strategies to reduce poverty in the twenty-first century economy. *Changing Poverty, Changing Policies* documents how economic, social, demographic, and public policy changes since the early 1970s have altered who is poor and where antipoverty initiatives have kept pace or fallen behind. Part I shows that little progress has been made in reducing poverty, except among the elderly, in the last three decades. The chapters examine how changing labor market opportunities for less-educated workers have increased their risk of poverty (Rebecca Blank), and how family structure changes (Maria Cancian and Deborah Reed) and immigration have affected poverty (Steven Raphael and Eugene Smolensky). Part II assesses the ways childhood poverty influences adult outcomes. Markus Jantti finds that poor American children are more likely to be poor adults than are children in many other industrialized countries. Part III focuses on current antipoverty policies and possible alternatives. Jane Waldfogel demonstrates that policies in other countries such as sick leave, subsidized child care, and schedule flexibility help low-wage parents better balance work and family responsibilities. Part IV considers how rethinking and redefining poverty might take...
