Random House Large Print Publishing, 2016. Paperback. Condition: New. Large type / large print edition. Language: English . Brand New Book. From New York Times bestselling author of *Destiny of the Republic* and *The River of Doubt*, a thrilling narrative of Winston Churchill's extraordinary and little-known exploits during the Boer War. Churchill would later remark that this period, could I have seen my future, was to lay the foundations of my later life. Millard spins an epic story of bravery, savagery, and chance encounters with a cast of historical characters--including Rudyard Kipling, Lord Kitchener, and Mohandas...
