Reviews

Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

SHADOWS OF A KING REVISION 2: A TRIBUT ARTIST EXPERIENCE (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.This is a story of my life from birth to the present day. Through my school years, teens, young adult and military years. I will share with you my experiences as a guitar player through employment and retirement years. I will also share with you my ups and downs in the music business and also my health. The times I should have been taken care of business and not doing so. Not taken care of my health like I should. How I had the opportunity to go big time in the music business and not doing so. How my passion for the music moved me but my passion for the opposite sex stopped me. How I went from Country Music to Rock Roll then back to Country and gospel. Then how Christ came into my life and changed me into someone I wasn't prepared for. As you read this book you will know how my life has change from not so good to good. I hope you enjoy my pitiful life as a King. Les (ELVIS) Williams.
