Reviews

This published pdf is wonderful. it was writtern really completely and valuable. I found out this book from my dad and i recommended this pdf to find out.

(Dr. Bryon Gleichner)

THE CROSS AT PIG HILL (PAPERBACK)

Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Cross at Pig Hill is a novel of political violence and hopelessness, repressed lust, despair out of the abandoned west of Ireland. Walsh s voice is funny, sly, and self-mocking. His lines of burnished brass ring musical; and his tale of innocence gone wacky remind one of Celine s laughs and tears. -- Mark Jay Mirsky, Editor Fiction Definitely a fine talent.dialogue excellent.great sense of place. -- Pat McCabe, author The Butcher Boy., The dialogue fairly well gallops along - it happens to be simultaneously funny, poignant, madcap and bitter. It s like a healthy dose of Flann O Brian. His ability to blend the poetic with the humorous, without lapsing into sentimentality or outright caricature, is a gift that deserves to be noticed. In his debut novel Reggie Walsh cracks a Shakespeare Code where the defiant Bard makes a stunning defense of the Christian Gaelic tradition as being inextricably tied to the might of England s historical past. Using a Gaelic word to unlock a crucial Latin phrase, the Code in turn reveals the names of the royal family of Lear and establishes the royal prerogative of rule by divine right. It is a masterpiece, an ingenious flow of mesmerizing work play - Shakespeare at his best. ----- Reggie Walsh lives in Ohio and is an Irish-American writer. Born in Kildare in 1954 he was raised in Swinford, Co. Mayo and educated at Ruskin College Oxford and City College New York.
