THE NEW THOUGHT SIMPLIFIED: HOW TO GAIN HARMONY AND HEALTH (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the Preface It frequently has been said that presentations of the New Thought are made in terms not readily intelligible to beginners. In the nature of the case, it is not easy to set forth a psychological and idealistic system so that it shall be lucid to all. It is also true that there is a decided though often unconscious inclination among the exponents of any movement to fall into a mannerism which is distinctive. Writers upon the New Thought are no exception to this rule. In this volume, the author does not claim to be exempt from such a tendency, but simplicity is his earnest aim. It is hoped that many who heretofore have been prevented from a careful investigation of the New Thought may be able to grasp much of its inner spirit and substance through an attentive perusal of these pages. A plain rehearsal of the foundation principles is followed by some comments upon their relation to other systems. An appendix is added containing a few suggestive lessons in the most practical and experimental form.
